Director  
Defense Intelligence Agency

Dear Dan:

Thank you for sending us the first issue of the new DIA Quarterly Status Report on Soviet Force Developments. It is an excellent publication and those who had a hand in producing it deserve to be complimented. Its users will doubtless find that this new series fills a gap between the large annual set pieces and current intelligence reporting on spot developments in the Soviet force field.

You will probably be more interested in reactions from the non-intelligence recipients of this report, but as intelligence users we find the quarterly useful and look forward to receiving subsequent issuances in this series.

Sincerely yours,

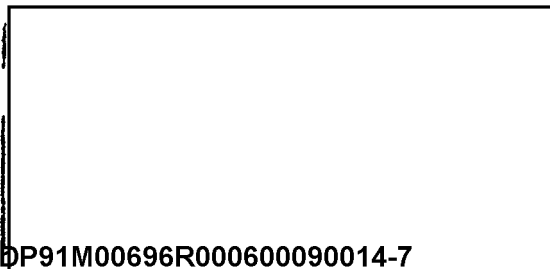

George A. Carver, Jr.  
Deputy for National Intelligence Officers
